

Klove is such a wonderful station. I can't tell you how much nicer it is to be able to listen to a radio station with positive lyrics. There is so much filth in music today that I feel it is vitally important that people have the opportunity to be able to choose a more positive influence in what they listen to. With the state of morality and the influence on our young people, there needs to be an opportunity to have the style of music they like, but one without the sexual innuendos and suggestive material. Please continue to allow Klove to be a station that I can listen to. There was a time when I was unable to tune in my area for approx. 3 days. I can't tell you how upset I was. Then miraculously, it appeared back. The relief I felt was unbelievable. I wish Klove was the only station available.... it truly is a God send!!! Thank you so much!!!
